INDICATIONS: For Tennessee and the Ohio Valley, falling barometer, increasing southeast to southwest and rainy weather.

GRANT is running, but not crazy. The White House appears to be the Though More Trouble is Expected

THE answer to the Indian question-"White man got no big drink whisky?"

How many ministers bribed anybody yesterday? Was any bribed? Was any minister ever bribed?

SOMEBODY please be kind enough to tell Grant he is going crazy. Our word for it, he will be glad to hear it.

WHEN Republicans offer up their Thanksgiving prayers to-day, let the extra session and resumption be remembered.

Does Lucius Quintius Curtius Lamar drink? If you don't believe he does, read a letter supposed to be written by him published in another column.

"ENQUIRER" was an earnest searcher after truth, but the interrogatories of this reverend gentlemen were met with cool contempt by the great and good Dispatch.

the moon.

the Independents were about 600 the south. The commission are in a majority, was returned still barricaded and prepared to reto the county canvassers containing sist any attack. went Democratic.

THE question agitating an intelli-"silence is golden," for if Parson wish he had never been born. A savage when he is "riled."

In the 50-4 election in this State a disgruntled sovereign in Middle Tennessee deposited a ballot in which was written only two words-"The Devil." Now it is our desire to call this aforesaid de's attention to the fact that I e was a just a little over a year ahead of time. The "Devil" will not be an nounced as a candidate until next year, and then under the alias of Jnc.

If the newspapers can't solve : problem, place it in the same category as that old one, "What will be the re sult when an irresistable force meetan immovable body?" Some literary "cuss," we almost said genius, has dis covered the answer to the Indian ques tion. He says if you kill off all the white men, presto, the thing is done. Now, gentle reader, don't make any objections, for if you do, It will be very egotistical-a despicable failing.

WHILE we agree with Dr. Standiford that the Louisville and Nashville road is the most important road in the for Louisville, it has much to accom plish yet, and it certainly has able and wily if not wise antagonists. going in on the other side, there are indications that if there is not a move territory somewhat restricted .- Louisville News and Post.

Knoxville furnishes the outlet to the "pocket," and Louisville is too wideawake not to know and take advantage of this.

ALL this cry of monarchy, centralization, empire and Cæsar will utterly fail of its purpose. The people of these United States are too well acquainted with the whining of a beaten Democracy to be deceived thereby. The history of the extra session is too well known as yet to permit Grant to be thrown off the track by such foolishness. The Brigadiers, if they can't overcome their fear of him, must hunt up another scheme. But then another difficulty presents itself, for plan of getting rid of Lincoln, "the

THE man who does the literary crit-Icisms of the Atlanta Constitution is a brilliant mind. His critiques are too "awfully cute for anything, you isu't a circumstance in "mixiu' 'em implicate them. up." He ought to be immediately taken up by the Women's Suffrage Society, for he can make a man out of a woman in short order. In yesterday's issue he had a long and elaborate criticism of Marlitt's " Schillingsis not a man, at least his use of the masculine pronoun would point that way.

of the absence of witnesses for the prosecution. A fine of \$500 each way.
